Läge & omgivningar:

Ciudad Jardín is situated in an excellent location with convenient connections to Palma possible by bicycle, public transport, or in 5 minutes by car.

The district is also very popular with both local people and visitors due to its approx. 1 km long, gently-sloping beach with its adjoining play area, ideal for families with children. In 2008 the beach was granted an award for its cleanliness and its easy access for the disabled. Close by are a number of small, quiet and romantic bays.

The 'Paseo Marítimo' with its cycle path offers many sport possibilities together with a large choice of cafes and restaurants. In the immediate area there is also a commercial zone with supermarkets, banks and boutiques.
