Detaljer:

This very well-maintained, idyllic finca is situated at the top of the mountain near Algaida, and presents panoramic views of the Tramuntana mountain range as far as the eye can see.

Surrounded by pine trees, absolute privacy can be enjoyed on the 30.000 sqm of land where a paved driveway leads comfortably to the house with its wonderfully laid-out gardens.

A living space of approx. 140 sqm is distributed over 4 bedrooms, 3 of which are doubles. A newly-fitted, modern kitchen and open living/dining area invite to pass pleasant time, and adjacent is a glazed terrace with hammock and lovely views.

In the exterior area there are diverse terraces which can be used individually depending on the time of day, whilst the pool area with a 9 x 5 metre illuminated pool, beer pump, barbecue, refrigerator and outside shower leaves no wishes unfulfilled.

Further features include a garage, the house technology room with the solar power system, and a charging point for electric cars. During the winter pleasant temperatures are assured by underfloor heating and/or a wood-burning fireplace. City electricity is also available and the water is pumped from its own well, so the finca is completely self-sufficient.
