Detaljer:

Set in the open countryside just outside Campos, this elegant finca combines modern architecture, high-quality construction and Mediterranean living. Surrounded by idyllic countryside and offering complete privacy, it provides an exclusive retreat defined by tranquillity and contemporary comfort.

The thoughtfully designed, single-storey L-shaped layout welcomes you with an inviting entrance hall. To the right, you will find a spacious living area with a modern open-plan kitchen and dining room. To the left are a guest WC and 3 comfortable bedrooms, each with its own en-suite bathroom.

All rooms offer direct access to the covered terrace and pool area, creating a seamless connection between indoor and outdoor living. The beautifully landscaped grounds feature a generous 32 sqm swimming pool, perfect for relaxing and enjoying the Mediterranean lifestyle.

High-quality construction and modern home technology ensure outstanding comfort. Underfloor heating with intelligent controls, ducted air conditioning and a controlled double-flow ventilation system with heat recovery provide a pleasant and healthy indoor climate throughout the year.

Additional features include a security entrance door, bespoke fitted wardrobes and high-quality aluminium windows and doors with thermally insulating Climalit double glazing and traditional Mallorcan shutters. Insulated pipework helps minimise heat loss and prevent condensation. The finca is connected to mains water and electricity. Rainwater is also collected, treated and stored in a separate tank for reuse in garden irrigation.

A modern finca combining superior construction, energy-efficient technology and Mediterranean charm in a wonderfully private setting.
