Detaljer:

This magnificent, luxurious town-house in the centre of Campos offers all comforts that could be wished for, and is situated within walking distance of the market square and numerous charming restaurants.

It has a living space of approx. 1.000 sqm spread over 3 levels, and stands on a plot of 750 sqm.

Its entrance area provides a taste of its past with large pillars and arches, and its lovingly-implemented restoration was carried out preserving its character and details whilst carefully using original Mallorcan materials.

On the ground floor the large entrance area with arches connects with 2 salons with 2 adjoining bedrooms each with en-suite bathroom. Also on this level is a further room which is currently used as an office, a fully-equipped fitted kitchen with fireplace and pantry, and an approx. 60 sqm dining room. From here there is access to an approx. 40 sqm inner patio with fountain and to a 70 sqm courtyard with garden, established palm tree population, 2 fountains and access to a garage. A staircase leads up to 2 approx. 100 sqm roof terraces.

On the upper floor are 2 further salons, the main bedroom with dressing room and en-suite bathroom, 3 further bedrooms and a bathroom. Almost all rooms have access an 80 sqm covered terrace.

Further features of this exceptional property include oil-fired central heating, a bodega, tiled floors, a utility room, a water-decalcifying and osmosis system, a sound system in the main rooms and a 4-car garage.

The owner would be prepared to allow commercial use of the property (eg. As a restaurant).
