Läge & omgivningar:

The residential area of Palmanova is located between Son Caliu and Torrenova. It was one of the first to be planned in the municipality of Calvia in 1934. Three large sandy beaches and a small harbor offer residents and tourists every comfort. The good hotel infrastructure complements this offer. Towards Andratx, at the end of the village, you will find the stone cross Pi dels Montcades. It is erected in memory of the Montcada brothers, who fell here under King Jaume I during the battle to conquer the island.
