Detaljer:

This well-maintained detached house, built in 2001, is situated in a quiet residential area of Cala Murada, just approx. 900 m from the sandy beach. Set on a 230 sqm plot, the property offers approx. 100 sqm of living space, a private swimming pool and a beautifully landscaped garden providing plenty of privacy.

The house can be accessed either through the conservatory at the front or via the rear terrace next to the kitchen. The ground floor comprises a living room, a kitchen, one bedroom, a bathroom and an additional room that can be used as an office, hobby room or multipurpose space. The conservatory provides an additional sheltered area to relax and enjoy the garden.

The upper floor features the main bedroom with an en suite bathroom and a small private terrace offering sea views and additional storage space.

One of the property's main highlights is the outdoor area. The terrace next to the kitchen and pool forms the central gathering space, with easy access to the kitchen, swimming pool, garden and upper floor. The lush, mature garden extends around the entire house, creating a pleasant sense of privacy. A small outdoor shower is also available, providing added convenience during the summer months.

The property has been equipped with a solar system of approx. 3 kW, new air conditioning units and new electrical appliances. It also benefits from an energy efficiency rating of B.

The house is sold fully furnished, including the existing garden and pool equipment, parasols and other outdoor accessories. It is an ideal option for those looking for a well-maintained property close to the beach, whether as a holiday home or a permanent residence in Mallorca.
