Läge & omgivningar:

Sant Elm is surely one of the most flourishing areas on the island, and in the simple former fishing village an exceptionally pleasant flair has been created. It has a population of only 500 and so is very suitable to be visited for a tranquil bathing and hiking holiday. Views over the bay are dominated by the 4 km long island of Dragonera, which rises out of the water like a sleeping dragon. Famous for its fresh delicacies and incredible sunsets, Sant Elm also offers the possibility to live privately but without having to forego convenient access to well-known places. Only 10 minutes drive away, for example, is the popular harbour of Port d'Andratx, and the island-capital Palma can be reached within 30 minutes.
