Läge & omgivningar:

Cala Millor is located on the east coast of Mallorca and is known for its kilometre-long sandy beach and wide promenade along the sea. The town has a solid infrastructure with restaurants, cafés, shopping facilities and all the amenities you need for everyday life.

The surrounding area combines coastal proximity with scenic diversity. Son Servera, Costa de los Pinos and Artà are just a few minutes away. These towns complement the area with golf courses, nature reserves and a quieter, more authentic atmosphere. This creates a balanced combination of beach, activity and retreat.

The Rafa Nadal Academy, which has established itself internationally as a sports and educational centre, is also only about a twenty-minute drive away, making the region even more attractive.
