Detaljer:

The perfect investment for the future! This unique, 1,086 sqm building plot is situated in the heart of S'Alqueria Blanca.

It would be possible to build from 1 to 4 town-houses on the plot, all of which would have unique views from their roof terraces over the surrounding countryside as far as the sea - magnificent views of the south coast of the island. During fine weather the views even stretch as far as the island of Cabrera.

Due to its optimal location S'Alqueria Blanca is only 10 minutes away from lively Santanyi, and diverse bays and marinas are easily and quickly reached.

If required we would be pleased to assist with a choice of architects, in order to assist with the realisation of your dream property.
