Detaljer:

This 800 sqm building plot is situated only around 100 m from the sea in the beautiful urbanisation of Betlem, close to Colònia de Sant Pere. The centre of Colònia de Sant Pere with its promenade, harbour, restaurants, cafés, supermarkets and sandy beach is only about 15 minutes away by foot.

The plot provides breathtaking views over the bay of Alcúdia and the Tramuntana mountains as far as Cap Formentor which are particularly impressive at sunset.

Due to the location in an official urbanisation connections to mains power and water are possible.

Due to the existing moratorium, no development is possible at present or in the foreseeable future.
