Detaljer:

This urban building plot is situated in Petra, a municipality which issues holiday renting licences, and has views over the countryside as far as the mountains of Artá.

It can be constructed with a detached house with a facade of 10 metres, and a constructed area of up to 680 sqm distributed over ground floor, upper floor, cellar, terrace and pool. The plot is accessible via a private road which may only be used by the residents. The front side of the plot faces the countryside and the mountain.

Building land between fields and the village, easily accessible and close to the centre of Petra.
