Detaljer:

This building plot is situated high above Cala Ratjada, and presents the most wonderful and unobstructed sea views.

It would be possible to build a detached house with approx. 300 sqm of constructed area on the land, complete with cellar, ground floor and upper level.

Mains water and power are available, and the present owner will deal with the application for a construction licence.

The superb plot certainly offers optimal conditions to build your dream home in Mallorca.

Läge & omgivningar:

Cala Ratjada was formerly a fishing village which has been developed as one of the most popular tourist centres of Mallorca. Some very nice beaches and bays belong to this village, in summer time the village is very lively and busy and offers a lot of cafés, restaurants, biergardens etc. Also many sporting activities such as diving, horse riding, tennis, golf and cycling are available.
