Detaljer:

This spaciously-designed house is situated in a quiet location in Paguera, within walking distance to the boulevard and the beach.

It has 3 bedrooms, one of which has an en-suite bathroom, a further bathroom, a guest WC, a spacious kitchen and a large living/dining area which offers ample space. The saltwater pool is heated and with its surrounding sun terraces provides lots of space. There is also a separate garden apartment with 2 rooms and a bathroom, a lovely BBQ corner, and an underground garage and carport.

Further features include oil-fired central heating, hot/cold air conditioning and a marble fireplace, assuring pleasant temperatures all year round.

The property requires some modernisation, and a further complete level could be added if required.

Läge & omgivningar:

Paguera is situated in the Calvià coast , between Costa de la Calma and Camp de Mar, where there is three beaches: La Romana, Torà and Palmira. It can be considered as a mixed enclave, between residential and touristic. With the recent renovation of the old Paguera road, it now has a pleasant boulevard which connects the marine walkways of Palmira and Torà to the interior streets. On the outskirts is Cala Fornells, a beautiful and quiet redoubt in mediterranean village style.
