This wonderful villa is very tranquilly situated in a prime and privileged location near to Inca, an aspiring town with numerous restaurants and shops and one of the second largest clinics on the island. Built in 2002 the villa provides views of Inca, Algaida, and numerous other villages, a breathtaking experience at night when the lights of the villages are turned on.

It was constructed in a classical style and has tiled floors and marble bathrooms, and has the living/working/dining areas on the lower level. The sleeping area is on the upper floor with 4 double bedrooms, 3 bathrooms and a large, sunny covered terrace providing simply unbelievable views.

Läge & omgivningar:

Inca, the centrally-located third largest city on the island, has everything needed for normal daily life and is well known as the centre of the shoe and leather industry in Mallorca. Its shoemaker guilds are the oldest in Mallorca, dating back to the Catalan conquest of the island in the 13th century.

The weekly market takes place every Thursday and the annual fiesta Dijous Bo of Inca is one of the major animal markets and festivals in Mallorca. The beaches of the Bay of Alcudia and the city of Palma are only 20 minutes away, and a large number of roads lead to all other parts of the island.
