Detaljer:

This beautiful family-villa is situated very close to the Rafael Nadal Academy and includes 7 bedrooms and 5 bathrooms.

Its greatest characteristic is the very generous room distribution which assures any large family ample living space.

On the ground floor is the main living room with fireplace, and a further leisure room also with fireplace which could be used as a dining room as it is located very close to the kitchen. In addition there is a music room, a guest room, a utility room and 2 further rooms containing the heating and decalcifying units, the water tank, a bodega, a further shower-bathroom, and a storage room.

Housed on the first floor is the sleeping area with 5 bedrooms, each of which has its own colour theme.

There is also an external terrace which is accessible from both the kitchen and the dining area, and which offers a fully-equipped outside kitchen with bbq and wood-fired grill, and the large pool with outside shower and bathroom.

A large double garage offers ample space and storage capacity, and also houses the house-technology room.
